Brad's Killer Fish are available in sizes KF14, KF15, and KF16. We have not tried to re-create the wheel, only improve on it. Brad's KillerFish baits have been rolled out with Big Kings in mind. They have a tremendous salmon-agitating action combined with rattles for an irresistible offering. They can be fished naked or wrapped, either way the verdicts in, they're HOT and catching fish!

•Available in three sizes •American made Duo-lock •Equipped with VMC hooks •Tunable action

Super Bait & Super Bait Cut Plug

The Brad's Super Bait Cut Plug® can be setup in many ways to be an effective fish catching lure!
You may find more ways than listed here. This lure opens the door for creative fishing!

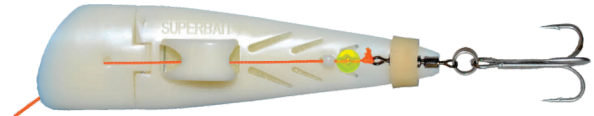

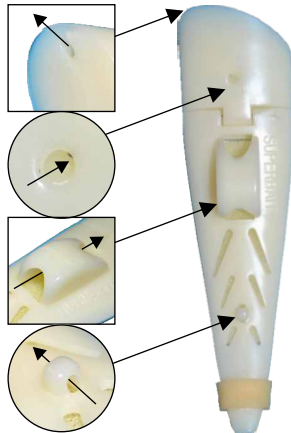

Baiting: The type of bait used may vary depending on the species of fish being pursued. Using canned fish such as tuna in oil, sardines, or/and chopped herring along with your favorite scent can enhance the fish catching performance significantly. Be creative mixing your own secret Super Bait Cut Plug® Recipe.
