Wigglers

The Brad's Wiggler® Series plugs are a diving/floating crankbait with a superb wiggle action. Wigglers are designed to have superior strength and durability with premium paint finishes to meet the demands from the most avid fishermen. Proven deadly effective for Salmon, Trout, Steelhead, Bass, Lake Trout, and more. Brad's Wigglers can be fished by flat-line trolling, plunking, casting, or back-trolling.

Hooks: Size #2/0 Open Eye Big River Bait or Siwash hooks recommended for single and double hook riggings off of barrel swivels or bead chains, size #1 treble recommend for single treble hook off a bead chain

Bead Chains & Swivels: To give hooks 360 rotation with a barrel swivel, *Brad's Barrel Swivels Size 7* are recommended. To drop hooks back with a bead chain, *Brad's 4 Bead Chains* or *Brad's smBCS Bead Chains* are recommended.

Tuning: If your Brad's Wiggler swims to one side, hold the lure facing you and *very slightly* bend the eyelet opposite the direction your Wiggler is swimming. Continue to adjust in small increments until corrected.

Hook Configurations: Changing hook configurations can alter the action of your Wiggler, so be sure to check your tuning with any hook change.
